

AG352UCG6

35 inch

(88.98 cm) LCD MONITOR

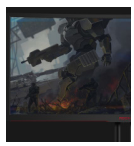

The AOC AGON AG352UCG6 Black Edition is an UltraWide 35″ curved gaming monitor that offers a highly immersive gaming experience, thanks to a small 2000 mm curvature radius and a 1440p resolution. NVIDIA G-SYNC technology and a 120 Hz refresh rate allow for smooth and responsive gameplay without tearing, stuttering or input lag.

Curved Screen | LowBlue | Ultrawide | Height adjust | Speakers | FlickerFree | Vesa Wallmount | GSync

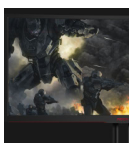

120Hz Refresh Rate

Equip yourself with twice the frame rate of other monitors and say goodbye to image stuttering and blurry motion. With a 120Hz refresh rate every frame is rendered sharply and in smooth succession, so you can line up your shots accurately and appreciate high speed races in all their glory.

UltraWide 1440p Resolution

With 3440 x 1440 resolution, Wide Quad HD (WQHD) offers superior picture quality and crisp imagery that reveals every detail. The widescreen 21:9 aspect ratio is perfect for watching movies in an expansive format or immersing yourself in the latest game, plus it offers more space when it’s time to work. True 8-bit color provides a broad color palette for vibrant, natural-looking images.

G Sync

NVIDIA®G-SYNC™ display technology delivers the smoothest and most breathtaking gaming experience on offer. G-SYNC™ synchronizes the monitor’s refresh rate to the GPU in your NVIDIA-powered PC, eliminating screen tearing and minimizing display stutter and input lag. Scenes appear instantly, while objects look sharper and more vibrant.

Curved screen

Screen Details

Resolution	3440x1440 PX
Refresh rate	120Hz
Response time	4 ms
Panel	MVA
Backlight	WLED
