A3 black and white multi-function printer

M 2310N
M 2810N

☑ Printer ☑ Copier ☑ Scanner

Designed for compact workspaces. Built for productivity.

The RICOH M 2310N and M 2810N bring practical performance to your workspace – delivering fast, secure and reliable A3 black and white multi-function printing in a compact, reliable device.

With faster print speeds, enhanced memory, standard network connectivity, and an easy-to-use 4-line LCD panel, the M 2310N and M 2810N offer a dependable solution for daily printing, scanning and copying. These multi-function printers are simple to use, easy to maintain and ready to support business continuity and enhance user's workplace experience.

M 2310N	M 2810N
23 ppm	28 ppm

Effortless and secure performance, everyday

- **Fast, efficient print and scan** delivering 23 ppm (M 2310N) and 28 ppm (M 2810N) to keep up with day-to-day demands
- **Quick warm-up time** with first print in 6.4 seconds reducing downtime
- **Streamlined digitisation** including colour scanning and ID copy, with intuitive controls on the easy-to-use 4-line LCD panel
- **Flexible document handling** with a choice of platen cover or ARDF to suit different scanning and copying needs
- **Efficient processing** and reliable performance supported by 512MB RAM for typical office workflows
- **Built-in security features** including TLS 1.3 for secure data transmission and encryption of email-based scans during transfer

Engineered to enhance efficiency

- **Built-in ethernet** for quick and easy integration into your office network (optional WiFi also available on M 2810N)
- **Mobile application support** allows printing and scanning of files stored in the cloud (print and scan to mobile via USB also supported for Android)
- **Language-ready** functionality supports multiple languages for wider accessibility

The smart choice for workplaces

Perfectly suited for organisations seeking a reliable printer, the M 2310N and M 2810N strike the right balance between usability, performance and sustainability.
